Available in Black & White or Brown & White (Sepia tone).

Same lifetime guarantee as our color portraits.

ENGRAVED PORTRAITS

Two and Three Tone images

Portraits cut into stone can be incorporated into your design. Can be done in two tone (black and white) or three tone (black, white and gray). Three tone works best on Absolute or Impala Black granite. Two tone image can be used on all colors.

DIAMOND ETCHED PORTRAITS

Traditional hand crafted imaging technique using a diamond tipped stylus to impact the granite to create a long lasting image.

Can be done on Absolute Black granite only.

Minimum portrait size is 4"x6".

This process takes longer than standard. Call for leadtimes.
